

Serial No. 10/712,841

At page 7, line 9-11, please amend the specification as follows:

As an example of use of system 10, with reference to Fig. 2, a suspected improvised explosive device B is identified by way of military or law enforcement intelligence.

Remarks.

This Amendment is submitted pursuant to (i) 37 C.F.R. §§1.116 and 1.312, and (ii) M.P.E.P. §714.14.

The Applicants gratefully acknowledge the Examiner's allowance of all claims 1-11.

Pursuant to the Examiner's requirements, Figure 2 has been added to depict method steps of claim 11, and two amended drawing sheets have been submitted herewith; the first sheet, comprising Fig. 1 (representing the sole figure as originally filed), has been labeled "REPLACEMENT SHEET" and the second sheet, comprising new Fig. 2 (representing the method steps of claim 11), has been labeled "NEW SHEET". Also, for consistency in the written specification, pages 4 and 7 have been amended relative to descriptions of these amended drawings.

Serial No. 10/712,841

This Amendment is believed to only address formal matters raised by the Examiner and not introduce new matter.

Conclusion.

The Applicants respectfully request entry of the Amendment as presented above, and passage of the case to allowance.

The Applicants and their counsel would appreciate any further inquiry from the Examiner, if deemed necessary after consideration of this Amendment, by way of a telephone conversation with counsel.

This submission is being transmitted by facsimile only to a new "Central FAX number (571-273-8300)" pursuant to "Updated Lists of Exceptions to the Centralized Delivery and Facsimile Transmission Policy for Patent Related Correspondence (signed 19Sept2005) (20Sep2005) [PDF]" as posted on the USPTO website.

This transmission comprises six (6) pages total.

Respectfully submitted,
Richard H. Jackson, et al.
